

Many Names Added To Red Cross Roll

Local Plan For Relief Adopted By Other Southern California Cities

The slogan "What can you give?"—either money for relief, or work for the relief you get—originated here and adopted by the Sierra Madre Relief Committee, is being borrowed as a model by relief committees in other Southern California communities. Chairman W. R. Humphries was invited to Monrovia, spent two hours explaining the system used here to the Monrovia committee, headed by Judge John A. H. Sturgeon, with the result that E. F. Zeibelle, of Monrovia, visited Sierra Madre on Wednesday and made a thorough survey of the work here, with the view of applying the same rules of relief service in the neighboring city.

Hermosa Beach has also adopted the Sierra Madre system. The clothes and shoes sent to local Relief Headquarters have been in great demand since the cold weather started. Many children have been made comfortable who otherwise would have been shivering, according to the statement of Mrs. Behring, the executive secretary. She said also that over thirty baskets of food were packed in the headquarters the day before Thanksgiving and delivered to needy families by one of the city trucks that same night.

The contents of the boxes were contributed by the Primary and Intermediate Junior League and the Ladies Aid Society of the Congregational Church; Mrs. W. Jarvis Barlow, M. Penn Phillips, Miss Charlotte Carter, Mrs. Ada Oswald, P. R. Penn, manager of the Safeway Store at 35 North Baldwin avenue, and L. D. Ball.

The street work in the canyon was finished last week. The work at the spreading grounds of the water department is absorbing less than half the laborers. Jobs are required. The committee urges every resident who has any work of any kind to be done to notify headquarters immediately. Wholehearted cooperation in this will tide over until the necessary preliminaries in the street program are completed. There are men to do any kind of work.

Although the Red Cross membership drive officially closed Thanksgiving, additional subscribers appear daily at headquarters and the following list of donations was made public last night:

City of Sierra Madre, \$100; \$76, Dr. W. Jarvis Barlow (monthly subscription); \$20 Miss M. (Continued on Page Three)

Sheriff Treager Coming To Speak At Kiwanis Luncheon

Members of the Kiwanis are preparing for a record crowd at next Tuesday's luncheon, when Sheriff William Treager will be the guest of honor. Sheriff Treager will be accompanied by the captains in charge of both the Alhambra and Temple City substations. He will speak on the subject of law enforcement. W. M. Bond and Dr. J. L. Wheeler are in charge of the arrangements.

E. W. Camp, of Sierra Madre, special counsel for the Santa Fe, was the speaker at Tuesday's luncheon. Mr. Camp gave an outline of the Wickham reports, defining some of their phases, chiefly in regard to the lawlessness of those who operate the law. He said the committee's inquiry had disclosed that the law was violated by the enforcement officers in nearly every state, and in some the conditions were outrageous. This was particularly true in the matter of deportations, he said, the records showing that there was little respect for the law, and poor judgment in the treatment of cases. Mr. Camp made a plea for the juvenile wrongdoer.

W. R. Humphries told of the work of the Red Cross local relief among the other guests were Councilman Lester K. Layton, Victor Tenney and Dr. J. M. Furstman, district county health officer, of Monrovia.

Heavy Truck Breaks Down City Bridge

Granite Company Failed To Get Permit To Haul In Canyon

Collapse of the Sturtevant Road bridge, Canyon Park, Wednesday afternoon, under the weight of a heavy truck and trailer, called a sudden halt to a project that contemplated using the new Canyon Park roads to haul heavy loads of decomposed granite from Corum's Canyon.

The accident followed a visit of H. H. Wheeler, president of the Los Angeles Decomposed Granite Co., to City Manager Myers to ask for a permit. He had made an arrangement with Mrs. Cora B. Corum to clear a three-acre knoll.

"I refused to take the responsibility of permitting the heavy hauling through the city, and told him he would have to get permission from the City Council," said Business Manager Myers.

A huge truck, with a trailer loaded with a gas engine arrived from Los Angeles early Wednesday afternoon. The truck and trailer swung into Canyon Park and started to cross the bridge.

The wooden bridge stood up under the truck, but when the heavy trailer boarded it the timbers began to creak and break and the trailer went through. Timbers eight by ten inches were shattered by the weight of the trailer, which lodged in the debris.

Officials of the granite company, after the accident, said they had a permit. "If they had a permit they must have got it from the county," said the City Manager, "but that bridge is owned by the city."

Contractor Birmingham said: "I gave no permission and would not give any such permission. The roads are still mine and until they are turned over to the city they cannot be used for that sort of traffic."

The new paving is not of a thickness intended for heavy vehicles. "It was said that the granite company would replace the bridge at once."

New Gallery Show Opens With Party

The Little Art Gallery was crowded last night, the occasion being a reception to the contributing artists of the paintings for the month, and the opening of a new exhibit. Carl Gist and Helen A. Jordan, two of the three artists whose works are on display, were present. William Lees Judson is dead.

The exhibit ranged from crayon portraits and flower oils by Gist, fantasies in oil by Miss Jordan, and desert wastes and seashore strands by Judson. Critics among the spectators pronounced the display one of the best ever presented here. There was much favorable comment over a surprise crayon by Gist of Mrs. Fred Griebnow, chairman of the Woman's Club art committee and director of the Little Gallery. The artist had caught Mrs. Griebnow in an artful mood.

Some of Sierra Madre's prominent matrons aided in receiving the artists and other guests. Mayor Reavis was on hand to give an official note to the affair. Mrs. Reavis assisted Mrs. Griebnow. Mrs. Gilbert S. Boyard presided at the coffee urn and Mrs. Al Myers had charge of the punch bowl. Mrs. Alfred J. Dewey and Mrs. Henry I. Hawhurst aided as hostesses.

GOT ANY LITTLE OLD TOYS? HERE'S A LITTLE BOY BLUE FOR YOU TO GIVE 'EM TO

By Harry Burke
The little toy dog is covered with dust—that is, it was—but now sturdy and staunch he stands. And the little toy soldier is red with rust—that is, it was—and his musket moulds in his hands—it did. Again the little dog is new, and the soldier is passing fair—the same as when Little Boy kissed them and put them there.

With all due apology to the late imitator Gene Field, who once visited Sierra Madre and left his imprint here, there is a little shop at 66 Central avenue where Chief Richards and the city firemen are brushing the dust off the little toy dog, and putting a new uniform and a shiny musket on the little toy soldier—dressing them up, and with them, drums, bugles, dolls, wagons, scooters, what not, to bring joy to the hearts of the little kiddies of Sierra Madre who would know no Santa Claus this Christmas if the little toy dog, and the little toy soldier couldn't find a hospital to rejuvenate them and make them a medium—

Oh, the years are many and the years are long. But the little toy friends are true. Have you dug out the toys you kissed and "put them there" in the long ago, or the toys your

Forum Hears Xmas Trees To Dot Street Down Town

E. W. Camp Gives The News Impressions Of Wednesday's Discussion

(Dr. Frederick W. Roman selected "Manchuria" for his subject at the meeting for the Forum on Wednesday night. The following is E. W. Camp's impressions of the discussion.)

"News from Manchuria sends stocks up and down on Los Angeles Exchange. At last night's Forum at the Woman's Club, Manchuria was the subject. It is a sort of no-man's-land, nominally governed by China. But ever since 1911, at least, China has been a welter of chaos, civil war, famine, flood, banditry and lately communism; and Manchuria has been more than ever left to chance.

"Russia had some concessions there, before 1894. In that year China was forced to concede the province to Japan, but France, Germany and Russia said 'No' and Japan had to give it back. Russia got rights there in 1896; in 1905 these passed to Japan and ever since Japan has been investing heavily in Manchuria and strengthening her economic hold.

"The present flare-up began about the middle of September, very likely set off by rumors manufactured at Tokio. Japan seems bent on repeating her record in Korea, by first setting up a government of Manchuria, independent of China, then establishing a protectorate to save that government from China, and then annexing the country.

"The council of the League of Nations tries to stop Japan, the United States tries to stop Japan. Russia is too busy patching up her five year plan to give Japan any trouble; China tries to boycott Japan's goods; but Japan does not stop—not yet. For she's doing what all the other nations do when they need more land and see a chance to get some."

Wind Sweeps Away Pergola At Schools Japanese Gardens

A few minutes after a score of children had left the patio of the public school last Thursday afternoon, the windstorm that swept through Sierra Madre and other foothill towns, proved too much for the pergola covering the Japanese garden. It toppled to the ground with a terrific crash.

"The children had been out there at recess just a few minutes before," said Miss Steinberger, the principal.

The debris has been cleared away. About thirty feet of the pergola, carrying the vine, was swept down. It will be replaced, and in more enduring form. The old vine will be cut back and saved.

MORE NEWCOMERS WELCOMED TO CITY

Newcomers welcomed to Sierra Madre during the past week are L. W. Mather, 580 Brookside Lane; A. R. Portfield, 300 Churchill Road; G. A. Ericson of Oregon, No. 2 Bella Vista Terrace; B. Feinstein, No. 6 Bella Vista Terrace; Jeanette Spicknall, 158 East Grand View avenue; G. C. Keene, 190 Santa Anita Court; Mrs. James Anderson, 118 North Lima street; Stanford Squire, 101 Bonita avenue, and G. M. Cuneen, 301 Sturtevant Drive.

Boys Laugh Digging Pal Out Of Earth

Foundation Wall Caves In On Group Of Local Boys Working At The Beach

Six husky young Sierra Madrenes laughed and frolicked at Hollywood Rivera on Wednesday after an accident that might have lent a different tone to their actions.

Albert Lalone of 36 West Highland, with Jimmy Warden, Gordon and Banks Langworthy, Tom Tarwater and Pete Truscher, went to Hollywood Rivera a week ago with O. R. Shearer, the Sierra Madre builder, who has started on an extensive program of construction there. The first contract called for a 6-room modern Spanish house for Mrs. Josephine Tuttle, a recent arrival from New Jersey.

Lalone and the other young men were engaged in making an excavation for a foundation under a steep bank. On Wednesday afternoon, without any warning the bank caved in. Lalone was buried almost completely, and Jimmy Warden and Banks Langworthy had their legs caught in the downpour of soft earth. The other boys rushed to the rescue. The earth was quickly brushed from Lalone's face and head but his body was held under four feet of earth and it took some minutes to shovel him loose.

There was no laughter during the first few seconds after the accident, but when the boys realized that the danger was past and no one was hurt, they began laughing and merrymaking. Lalone, still pinioned in the earth, joined in the joshing.

Upon completion of the Tuttle home the workmen will be started upon two other jobs, both somewhat larger than the present job, the contractor declared.

Want Your Kitchen Swept And The House Tied Up A Bit? Send In A Fire Alarm And Get Service

Members of the Sierra Madre fire department were hastily called into a huddle this week, as the aftermath of a fire on Sunday night in the home of Mrs. T. J. (Polly) Burns at 65 East Laurel.

"We just have to do something," said Chief Richards, "or every mousewife in this town will be starting a blaze."

"Of course they will and I don't blame them," said Mrs. Burns yesterday. "Why you know that fire in my home gave me the surprise of my life, not the fire, but what the firemen did. All my life I have been under the impression that firemen just ruin everything, that if the fire doesn't do any damage the firemen see that plenty of ruin is done. Well, believe it or not, those firemen came here pronto, put out the fire, cleaned up everything and even swept the kitchen. Can you imagine that?"

The fire in Mrs. Burns' home caused considerable excitement, and came so unexpectedly that Mrs. Burns, who was alone in the house and asleep when it started. It was caused by an electric iron that had been folded up with the board in the wall. Mrs. Burns thought she had turned it off.

It was 11:15 when Mrs. Burns was awakened by a crackling sound. She sat up in bed and smelled smoke. Turning on the light she saw smoke coming under her bedroom door. She opened the door and the draft enveloped her in smoke.

"I ran to the window and called to Mrs. Ruby Branel, my neighbor," said Mrs. Burns. "She didn't have a phone so she called to Mrs. Marian Douet, who phoned an alarm. Well, it seemed to me only a minute before the firemen were here, and a hundred people

Legislators Urge Extra Session To Create Employment

Assemblyman F. H. Houser of this district is chairman of a legislative committee which will submit a plan for proposed legislation to meet the unemployment situation at a meeting of Southern California legislators at the Alexandria Hotel in Los Angeles this evening.

A preliminary meeting was held last Thursday when the committee of which Houser is chairman was appointed. Another committee was appointed to confer with the boards of supervisors in the various counties of Southern California and ask their cooperation in bringing about legislative action. Various plans for financing unemployment relief were suggested, including a luxury and income tax.

Street Signed For Paving To Solve Unemployment As Council Enacts Law

Relief Committee Gets 100 Percent Consent Of Esperanza Avenue Owners And Work Will Start As Soon As Equipment Is Obtained

Legislation that will permit the City of Sierra Madre to enter immediately upon its program of street improvements and relieve the unemployment situation throughout the winter, was enacted by the City Council on Wednesday night and immediately signed by Mayor Reavis.

The Council first adopted an ordinance providing a short cut to public improvements to be paid for in cash and that, while adopted as an emergency measure, will serve to expedite minor undertakings of the city hereafter without incurring expensive overhead charges that are a part of all contract work awarded under the State improvement acts.

It is under this ordinance that the city proposes to carry forward the plan worked out with the local relief committee for the paving of more than five miles of dirt streets in the city at a minimum cost to the affected property holders. The Council also adopted a resolution calling for bids for the necessary machinery with which to carry on the proposed work—a roller, a grader and a tractor. Bids for this equipment will be opened by the Council on the evening of December 16.

But before the Council can proceed with actual work under the new ordinance, a part of the paving program will be under way. Residents of Esperanza avenue, between Baldwin and Hermosa avenues, were eager to avail themselves of the extremely low paving costs with which they might have a hard surfaced street, so they all signed a petition to the Council asking for the improvement of their thoroughfare. The petition having been unanimously signed it will not be necessary to proceed under the restrictions of the ordinance, and the work will probably be authorized at the next Council meeting.

The petition was the first to be placed in circulation by the relief committee to work out the unemployment relief program. It is now in the hands of City Business Manager Al S. Myers.

The new ordinance, the full text of which appears on page five of this issue of *The News*, carries practically all of the safeguards about public improvements imposed by State laws, but obviates the necessity of legal, engineering and other expensive proceedings that run up the costs on public work.

Police Nab An Alleged Racketeer

John Kenefick, in charge of the meat department in the Central avenue Safeway store, knows something about short change tricks, and the "slickers" who travel around. Yesterday a man bought a ten-cent package, gave him a ten-dollar bill to change, then discovered he had a single dollar bill, and asked John if he couldn't give him a five-dollar bill for five cents.

"Sorry," said John, and he noted the number on the customer's car.

Five minutes later Chief Gordon McMillan had the number. He picked up the car and driver on Foothill boulevard and brought them back to the City Hall, with a good-looking girl who was in the car with the man. The man gave the name of Ray Harvey, but that did not check up with the name under which the car registered. The Chief telephoned the Sheriff's office.

"That's Mr. Willard J. Peck, wanted for working the short-change racket in Beverly Hills. We'll be out. Thanks for nabbing him," the Sheriff's office said.

And so the prisoner, who weakened when his picture—the picture of Willard J. Peck—was flashed on him, went back to Beverly Hills and a nice new jail. The young woman, who said her name was Lorraine White, of South Pasadena, said she had met her companion in San Francisco. There was no charge against her and she was allowed to go.

Parking Is Banned On New Highways Up In Canyon Park

In an effort to get the maximum use out of the new paved highways in Canyon Park and to minimize the danger of accidents, the City Council on Wednesday passed an ordinance reading an amendment to the traffic ordinance that will prohibit long-time parking on Woodland Drive, Oakdale Drive, Alta Vista Drive and Sturtevant Road east of the intersection with Woodland Drive. It will be unlawful to park on the new streets for more than 30 minutes.

The roads are so narrow as to make parking dangerous. Many property owners prepared for the new conditions while the roads were being paved by having driveways connected up with the new streets.

THROWING SNOW BALLS HERE IN SIERRA MADRE

Charlie Peterson, Harlen Orin, Frances Hora and Carrie Hora spent the weekend at Mount Baldy. The party carried back snowballs, to throw around Sierra Madre.

GUILD GATHERS FOOD FOR XMAS BASKETS

Towels for the gift sale of the Woman's Guild of the Church of the Ascension were finished on Tuesday at the meeting of the St. Catherine's Guild at the home of Mrs. Gordon McMillan, 188 Santa Anita Court.

Sierra Madreans Leave

On Motor Tour
Mr. and Mrs. D. F. Robinson of 401 Auburn avenue, left on Thursday to visit Mr. Robinson's daughter, Mrs. Marie Rutledge, at Bakersfield. They plan to enjoy a motor trip through the north and will probably be gone six months.

Thrilling Game Goes To Comrades

In a thrilling upset the Comrades defeated the Ice Company basketball team by a score of 20 to 17 on Tuesday night in the gym of the Congregational church and the victory has aroused added interest in the fight for the city championship. The Comrades are scheduled to tackle the Sierra Madreans, a new team headed by Harry Draman, on Monday night. It will be the first public appearance of the new outfit. On Tuesday night the new team will line up against the Ice men.

In the game Tuesday night C. Young was high point man, scoring 12. S. Myers and R. Lichog of the Comrades each scored 4. C. McLaughlin scored 9 points for the Ice men, McBurney 6 and Greer 2. The Comrade team lined up with C. Young and S. Myers, forwards; B. Stamer, center and R. Lichog and B. Dumas, guards. R. Lalone was substitute. The Ice five consisted of Don Greer and L. McBurney, forwards; C. McLaughlin, center, and H. Munson and A. Sanchez, guards.

Mrs. William Spargur of 374 Grove street, returned this week from the Pasadena Hospital with her small son, William Newton Jr., born two weeks ago.

Fire Flames

By one of the boys

FIREMEN can't all be so hard boiled. Just recently Frank Lovell told a story to the Fire Flames that even smothered the Flames with tears and that's hard to do. Frank said that as he was fixing up some old toys at the Toy Shop, he happened to glance out the window, and there he saw a little girl about 12 years old, with two smaller children at her side. Tears were rolling down her cheeks as the younger children asked for some of the toys. Frank acted as tho' he did not see the tots, but he watched them as they left for their home. He followed them to their destination and after assuring himself that they were deserving and needy, Frank pulled out his note book and scribbled down a few names and addresses to make sure that these children would not be disappointed on Christmas morning. Lovell may object to being thus exposed, but as he told the story tears trickled down his cheeks. He was not the only one to turn soft. Every fellow that heard the story as Frank told it, either did the same thing or choked trying to prevent it.

We are now busy preparing for the big Dance and Card Party that is always a big success. Tickets were distributed to each member of the Fire Department at the last meeting and soon the boys will be reporting that they have sold all the tickets issued. The Dance and Card Party for this year will be better than ever, if the plans of the boys are successful. The Pasadena Firemen's Orchestra promise us their best in dance music. Both bridge and 500 will be played at the card tables.

BIG "TWELFTH NIGHT" PRODUCTION COMING

Betty Bronson, who was projected from the position of an unknown extra girl to international prominence when she was chosen above a large group of accomplished actresses to play the title role in the motion picture production of "Peter Pan," will play the role of Viola, leading feminine characterization in a production of Shakespeare's popular romantic comedy, "Twelfth Night" to be given an elaborate staging at the Pasadena Community Playhouse from December 10 to 19.

GIFT SALE AND TEA AT HOME OF MRS. E. E. BACON
A handmade gift sale and silver tea will be held at the home of Mrs. E. E. Bacon, 240 East Alegria avenue, on Tuesday afternoon, December 8, at 2 o'clock. The hostess will be assisted by section 3 of the Woman's Society of the Congregational Church. Everyone in the community is invited.

Executives Of Utility Make Survey

Edison Officials Here While On Inspection Of Local District

Four executives of the Southern California Edison Company, Ltd., engaged in a survey of conditions throughout Edison territory in Central and Southern California, yesterday visited the Monrovia district, which includes Monrovia, Arcadia, Sierra Madre, Temple and Duarte. The group making this survey includes Fred B. Lewis, vice-president and assistant general manager; W. C. Mullendore, vice-president; W. L. Frost, vice-president in charge of sales, and Will H. Fischer, vice-president in charge of Public Relations.

The company's program for the next five years is now under consideration, according to Fred Schwartz, manager of the Monrovia district, and a personal investigation is being made to further assist the management officers in outlining development procedure.

In each of the 28 Edison districts, the company officers are meeting civic leaders and are holding meetings with all local employees of the company. At a combined meeting at Alhambra Friday night, more than 150 Edison employees of the Pasadena, Alhambra and Monrovia districts heard the three vice-presidents outline the conditions which now surround the company's operations. Heads of the various departments of the local organizations spoke on local conditions.

"There is a great need now for straight constructive thinking, in which we deal with facts as well as hopes," Mr. Mullendore said. "We in California are fortunate in possessing certain natural advantages, but we must not forget that there is no 'splendid isolation' for ours or any other modern community which trades with the whole world."

While the electrical industry of the United States is not immune from the forces of the depression the solidity of its values and the diversity of its business gives it a high degree of stability," Mr. Mullendore said. "Because of this fact, the Southern California Edison Company, Ltd., which is an integral part of every community it serves, acts as a stabilizing influence for all business in Southern California."

Steps taken by the company to meet the tremendous demand which it is anticipated will be placed upon the company for electric service as a new business cycle begins to make itself felt—were outlined by Mr. Lewis.

LEGAL NOTICE NOTICE OF FORECLOSURE SALE COMMISSIONER'S SALE No. 329204

Order of Sale and Decree of Foreclosure and Sale:
SIERRA MADRE SAVINGS BANK, etc.

Plaintiff
—vs—
Defendant

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the County of Los Angeles, of the State of California, on the 23rd day of November, A.D., 1931, in the above entitled action, wherein Sierra Madre Savings Bank, a corporation, the above named plaintiff, obtained a judgment and decree of foreclosure and sale against Frank J. Turba, Theresa E. Juennemann, formerly Theresa E. Turba, Louis J. Helm, et al defendants, on the 19th day of November A.D., 1931, for the sum of One Thousand Two Hundred Fifty and 34/100 (\$1250.34) Dollars, lawful money of the United States, which said decree was, on the 19th day of November A.D., 1931, recorded in Judgment Book 795 of said County at page 100 et seq. I am commanded to sell all that certain lot, piece or parcel of land situate, lying and being in the County of Los Angeles, State of California, and bounded and described as follows:

Lot Thirty-Four (34) of the Prospect Tract, in the City of Sierra Madre, County of Los Angeles, State of California, as per map recorded in Book 14, Page 37 of Miscellaneous Records of said County.

Together with the tenements, hereditaments and appurtenances thereto belonging, or in any wise appertaining.

PUBLIC NOTICE IS HEREBY GIVEN, That on Monday, the 28th day of December, A.D., 1931, at 9:00 o'clock A.M. of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or as much thereof as may be necessary to satisfy said judgment with interests and costs, etc., to the highest and best bidder for cash lawful money of the United States.

Dated this 3rd day of December, 1931.

SIDNEY A. CHERNISS
Commissioner Appointed by the Court.

ROBERT MITCHELL,
H. W. Hellman Bldg.,
Los Angeles.
Attorney for Plaintiff.

Hot Lead

By Judge W. R. Lasater
THOMAS W. NEALE, service officer of Post 297, who enjoys the distinction of having had three hitches in Uncle Sam's army and who is one of the most popular members of the local organization, is the subject of this ninth thumb-nail sketch.

His first enlistment was at Omaha, Neb., in May, 1908. He was stationed there a year, taking preparatory work for the line of service that was to follow. In 1909 he was sent to Alaska and assigned to duty along the Valdez Fairbanks trail keeping the Government telegraph line open and in operation.

In 1911 Comrade Neale was transferred to New York and attached to the Government Radio School as an instructor until 1913, when he was again transferred. This time to the Philippine Islands where he was assigned to mounted signal corps service. He remained on the islands until the latter part of 1915 when he was shipped back to the States for a bit of a rest. Tom re-enlisted in 1916 in the 5th Marines, 2nd Division. The outfit was stationed at Bremerton, Wash., at the time war with Germany was declared, and was among the first of the expeditionary forces to leave America, sailing for France, June 14, 1917, arriving at St. Nazaire on June 27, 1917.

Tom has very modestly insisted that I omit details of his engagements and experiences and just give an outline of the engagements in which he saw service.

He participated in open warfare against the enemy in the Toulon Sector, March 15 to May 13, Aisne Defensive, May 31 to June 5, Chateau-Thierry Sector, Boise De Belleau, June 6 to July 9, Aisne-Marne offensive July 18 to 21, Marbach Sector, August 8 to 22, St. Mihiel offensive, September 12 to 15, Meuse Argonne offensive November 1 to 11, 1918.

He served with the army of occupation in the march to the Rhine River and in the occupation of Altweid, Germany, being honorably discharged as a Sergeant November 5, 1919.

Tom is now engaged in trying to trap a few of the elusive dollars through the medium of real estate and insurance here in Sierra Madre. His known hobbies: He would rather "fish than eat."

'Round the Town

Mrs. William Middough, president, and Mrs. E. R. Thompson, press chairman, of the Parent-Teachers' Association, attended a Press breakfast on Monday at the Sala de Oro, Los Angeles Biltmore.

Mrs. Caroline Webster of Laguna Beach, has rented her home at 101 Bonita avenue, to Mr. and Mrs. Squire of Chicago. Mrs. Webster visited friends in Sierra Madre over the weekend.

Robert Shaffer and George Merriman of Pomona College, were weekend guests of Mr. and Mrs. Albert Wheeling of 101 East Central avenue.

Miss Edna Green and Mrs. E. E. Bacon will be hostesses next Thursday afternoon to the Modern Priscillas at the home of the Mrs. Bacon, 240 East Alegria avenue.

Mrs. G. A. Peterson of 73 Suffolk avenue, returned last week from El Centro, where she has been visiting her daughter, Mrs. Mae Graham, for three months.

Miss Justine Picton and Miss Aveline Corneth enjoyed dancin' with a group of friends' last Monday at the Ambassador Hotel, Los Angeles.

Miss Edith Hawks of 80 East Granview avenue, is visiting her uncle, Abbot Hanks, in San Francisco for a week.

Mrs. M. Pearl Arthur of 381 Mariposa avenue, enjoyed Thanksgiving and the weekend in Santa Barbara.

Mrs. Fred C. Albrecht and Miss Eunice Albrecht of 687 West Alegria avenue, spent Friday in Los Angeles.

Robert A. Brown of Chicago, is spending the winter with H. R. Coit of 270 Grove street.

Peter Froehlich of 245 West Laurel avenue, is able to be out again after an illness of three weeks.

Mrs. Elizabeth Dietz of 85 South Baldwin avenue, is serving on the jury in Los Angeles. Her duties began on Tuesday.

Eastern Star Ceremonial Is Brilliant

The Masonic Temple, attractively decorated with greenery and flowers to fashion a huge canopy over the stage in the east of the Temple, was crowded on Monday evening at the public installation of the Sierra Madre Chapter No. 289, Order of the Eastern Star.

Officers of the Pasadena, Altadena, Lamanda Park and Temple City chapters formed a human star around the altar and Job's Daughters formed a cross in the East. A white gate, through which the new officers entered, was opened by Roberta Roberts, small daughter of the Worthy Matron, Lella Montee Roberts, while Miss Virginia Roess sang, "Open the Gates of the Temple."

Mrs. M. Pearl Arthur was installed as worthy matron, with the new officers by Worthy Matron Lella Montee Roberts and Worthy Patron Paul H. Jones. Yerdia Adams was installing marshal; Lillian Davis Boorman, installing chaplain, and Blanche I. Buie, chairman of the evening.

The worthy matron, Mrs. Pearl Arthur, was presented with a gavel by her officers and the past matron's jewel was presented to the retiring matron, Lella M. Roberts, by Agnes Tyree.

The ushers for the evening were Lella Embree, Josephine Hare, Nancy Dickinson, Ruth Grant, Ruth Wheeling and Virginia Wood. A musical program consisted of quartette selections by Mrs. J. H. Jamieson, Mrs. Harriet Buchanan, Dave Buchanan and Jack Buchanan, accompanied at the piano by Mrs. Myrtle McMullen Hill, and song groups by Miss Virginia Roess.

Other elective officers in addition to the worthy matron are: John Buchanan, worthy patron; Miss Muriel Tarr, associate matron; Thomas Buie, associate patron; Mrs. Izetta Carlson, conductress; Mrs. Agnes Tyree, secretary; and Mrs. Harriet Buchanan, treasurer.

The new worthy matron announced the following appointive officers who were installed with her: Mrs. Dola Ann Black, chaplain; Mrs. Blanche Buie, marshal; Mrs. Dot Myrtle Roberts, Adah; Mrs. Marie Claire Platte, Ruth; Mrs. Mary Wammock, Esther; Mrs. Mattie Cuddy, Martha; Mrs. Mae Schaeffer, Electa; Mrs. Netta Finlayson, organist; Mrs. Della Frances Brain, Warder, and Mrs. Elizabeth Dietz, sentinel. Mrs. Helen Sandage has been elected associate conductress to replace Mrs. Nina Rallsback, who has resigned.

Protest Shelves Ross Field Plan For The Homeless

Protests from many angles seem to have shelved the proposition to take over the shacks at Ross Balloon Field, Arcadia, for the housing of the unemployed. Mayor H. A. Link, of Arcadia, sent a letter of protest to Secretary of War Hurley, at Washington, urging the demolition of the abandoned buildings, declaring they were an "eye sore to the city."

Seward C. Simon, executive director of the Pasadena Community Chest and of the Council of Social Agencies in Pasadena, wrote a letter of protest to Supervisor Hugh A. Thatcher, who had asked the War Department for permission to use the Ross Field buildings. Mr. Simon said the Arcadia Field would be "the mecca of many thousands from all over the West," cause demoralization of the men themselves, and create a menace to all the towns adjacent to Arcadia.

Bids for the destruction of the buildings because of their fire hazard are receivable November 30th.

A group of women of the local Parent-Teacher's Association visited Rose Hill Memorial Park, Whittier, on Tuesday of last week.

CARD OF THANKS

I wish to express my heartfelt thanks and gratitude to the many friends and neighbors for their loving thought, sympathy and beautiful flowers during the illness and loss of my dear husband.

Helen F. Murphy.

Birthday Greetings

THE NEWS extends birthday greetings and its best wishes this week to the following Sierra Madreans:

Mrs. George Norris	Dec. 4
Frank B. Butler	Dec. 5
Mrs. W. J. Lawless	Dec. 5
Barbara Gerhard	Dec. 6
James Kelleher	Dec. 6
William Stamer	Dec. 6
Wilbur F. Thayer	Dec. 6
Henry Greger Jr.	Dec. 6
Mrs. Al S. Myers	Dec. 6
Mrs. S. K. Lessley	Dec. 6
Mrs. J. H. Osgood	Dec. 7
T. H. Noble	Dec. 8
Mrs. Tom Tyler	Dec. 8
Margaret F. Preslar	Dec. 8
Mrs. Norm Morrison	Dec. 8
Gordon McTavish	Dec. 8
Kathleen Moote	Dec. 9
Paul Ladd	Dec. 9
Andrew Killoran	Dec. 10
Buddy McRoberts	Dec. 10
William Johnson	Dec. 10

COMING EVENTS

FRIDAY, December 4—Sierra Madre Volunteer Firemen's Auxiliary, at City Hall.

SUNDAY, December 6—Intermediate Christian Endeavor Society of Bethany church, at 6:30 p.m., Bethany Hall.

Congregational League of Youth, at 6:30 p.m. Ladies' parlors.

MONDAY, December 7—American Legion Post 297, at City Hall.

Chamber of Commerce, at City Hall.

Nuntius club: Juniors at J. O. Smith home, 609 West Central avenue. Seniors at R. S. Jensen home, 561 West Grand View avenue.

Order of Eastern Star, at Masonic Temple, 33 East Central.

LOCAL MOTORISTS RUN INTO REAL SNOWSTORM

Dr. Marie A. Everett and Robert Phelan of 153 Santa Anita Court, returned last week from a week's motor trip to Needles, Williams, Grand Canyon, Phoenix, El Centro, Calexico and Agua Caliente, Mexico, and San Diego. They enjoyed a visit at the Cotton Gin Mill in Mexicali. A snow storm was encountered between Williams and Phoenix, Ariz.

Give A Westinghouse Refrigerator for Christmas

Just a small deposit
WILL INSURE
DELIVERY ON
CHRISTMAS DAY

Just a few cents a day pays for this thrifty Christmas gift—a Westinghouse "Completely Balanced" Refrigerator! Many owners tell us it saves nearly half its cost the first year. Actually pays for itself in two or three years. And it's "the best looking refrigerator you have ever seen." Built by Westinghouse—the mightiest name in electricity.

Only a few dollars down will insure delivery for Christmas. Balance—over 2 years from purchase date if desired. See us today.

County Puts Ban On Smudge Nuisance ---Fixing A Penalty

The County Supervisors have taken the first step in lessening the smudge evil by adoption of an ordinance making it unlawful to operate any orchard heater in which petroleum, oil, or any product thereof, is used for fuel when the product of combustion arising contains unconsumed solid

carbonaceous matter in excess of 20 grams per pound of fuel consumed. This action was taken following months of experimentation and tests which developed a heater eliminating the smudge, and was brought to a head by the current spell of low temperature, necessitating smudging in the citrus belts. Similar action has already been taken in San Bernardino, Orange and Riverside counties.

Violation makes a person or corporation guilty of a misdemeanor, subject to a fine of not more than \$500 or imprisonment for six months, or both. Each day the law is violated is a separate offense. The new law becomes effective March 1, giving orchardists time to install proper equipment to abate the smoke nuisance.

Word has been received by Mrs. Cynthia J. Holmes of 170 San Gabriel Court, of the death on November 9 at Honolulu, of her foster brother, C. F. Merrill. Mr. Merrill was in newspaper work in Honolulu for over 25 years. He was on the staff of the Honolulu Star-Bulletin.

A BANQUET FOR YOUR FLOWERS

THE RULES of intensified farming are usually applied to the average home garden, and most every inch of soil is constantly being robbed of its fertility. For this reason it is quite necessary that considerable fertilizer be applied, not only in advance of planting, but during the growing season. If best results are to be obtained, Western soils, except in the more humid regions, are usually devoid of humus, and this must be provided by artificial means if necessary, to prepare the soil for the liberation of those elements that are essential for the healthy growth of plant life.

Organic materials, such as straw, weeds, grass, shippings, discarded garden plants, etc., should be buried in the garden. Decomposing organic matter is known as humus. Humus has a number of very important roles to play in the soil. Humus separates the soil particles, permitting a free circulation of air, which serves as a sponge to retain the moisture and makes the soil more pliable.

One of the chief benefits from the presence of humus in the soil is its influence to provide a congenial home for bacteria. Fertile soil is a hive of industry—there are present bacteria, fungi and other microscopic plants and animals in great number. These tiny beings play a most important part in the history of plant life, for they help to break down the elements of the soil and to bring about chemical changes releasing plant food elements for the use of plant life.

To provide humus, therefore, is

COOLER WEATHER BRINGS HIKERS BACK TO MOUNTAIN TRAILS

Managers of camps and resorts on the mountain trails leading out of Sierra Madre report a constantly growing number of hikers with the advent of cooler weather. More than 400 persons passed over Sturtevant Trail between 8 o'clock Saturday morning and 9 o'clock on Sunday evening and almost as many were reported on Mt. Wilson Trail.

No smoking is the rule in the mountains expect at cleared areas of habitation. Patrolmen are on constant watch in the mountains for offenders.

ILLNESS FATAL TO FLORENCE SINGLAUB

Mrs. Florence Singlaub of 313 North Lima street, passed away last week at her home after an illness of two months. Mrs. Singlaub was born 31 years ago at Winnipeg, Canada, and had been a resident of Sierra Madre for the past two months. She is survived by her husband, Casper Singlaub of the U.S.S. West Virginia, and her mother, Mrs. Sarah Woodcock of Seattle, Wash., who was nursing her here during her illness.

YOUNG OLSEN RETURNS TO HOME AFTER INJURY

Edward Olsen, son of Joseph Olsen, of 483 Grand View avenue, returned to his home practically recovered from the injuries suffered on Armistice Day in an automobile accident in Sierra Madre Canyon. He has been in the Pasadena hospital with a seriously crushed hand. Dr. M. H.

A. Peterson has been in attendance. The accident occurred when an automobile containing young Olsen, Jack Paschall Jr., and Gys Vanderpool, overturned in negotiating a sharp turn.

Red Car Profits

—for you

Read how you gain six ways when you ride the Big Red Cars

1. Low Cost:

Figure your own transportation expenses on a cost-per-mile basis and you will see that Pacific Electric Monthly Pass or Commutation fares are lower than any other form of travel to and from the City.

2. Extra Leisure:

Time to read, rest, relax or study every time you ride.

3. Less Nerve Strain:

No traffic and parking troubles. You arrive rested, ready for the day's activities.

4. Pleasure for Your Family:

When you ride the Red Cars your family has the use of your automobile all day.

5. Safety:

The Motorman's whole job... the Pacific Electric's responsibility... is to get you safely to your destination.

6. Convenience:

Direct routes, mostly over private rights-of-way. Convenient schedules. Try the Big Red Cars next time you go to Los Angeles.

LEGAL NOTICE

ORDINANCE No. 347
An Ordinance of the City of Sierra Madre Amending Ordinance No. 342 Defining Nuisances and Prohibiting Their Maintenance.

The City Council of the City of Sierra Madre ordains as follows: SECTION 1. Section 7 of said Ordinance No. 342 of the City of Sierra Madre is changed and amended to read as follows: "Section 7. DEPOSIT OF RUBBISH, ETC. ON THE STREETS: It is hereby declared to be a nuisance and it shall be unlawful for any person, firm or corporation, to throw, deposit or place upon any street or alley in the City of Sierra Madre, any tin sheet iron, broken glass, thorny clippings or branches, leaves, clothing, bottles, paper, night soil, rubbish, rind, skin or peel, or any fruit or vegetables, or ice, soap, salt, chemicals or any water containing any chemicals in solution in any unusual or injurious amount, or any foul or noxious substance, or to throw or deposit any paper upon any uninclosed space, either public or private, from which such paper may be blown upon any street or sidewalk."

SECTION 2: The following paragraphs are hereby adopted, ordained and made a part of said Ordinance, by adding to said Ordinance immediately following Section 8 thereof, which shall be known and designated as follows: "SECTION 8.a. That it shall be unlawful for any person, firm or corporation, to distribute, peddle, throw or deliver in the city of Sierra Madre, to or among any other persons, in, along or upon any public street, highway, alley, park, depot, or any other public place, or into or upon any automobile or other vehicle or conveyance of another person, firm or corporation, or into or upon any mail box, porch, yard or any portion of any premises within said city, any advertising samples, handbill, poster, dodger, pamphlet or paper containing printed or typewritten matter or advertisement; provided, however, that this ordinance shall not apply to the distribution, peddling or delivery to bona fide subscribers thereof within the said city, of any newspaper, magazine, newspaper of general circulation published for the dissemination of local or telegraphic news and intelligence of a general character, and which is printed and published at regular intervals, and which has a bona fide subscription list of paying subscribers within said city; and provided further, that any handbill, poster, dodger, pamphlet or paper containing printed, printed or typewritten advertising or other notice, or advertising matter, which has been designated, painted, printed or otherwise composed by or for the benefit of any religious, charitable or benevolent society, or corporation or by any political subdivision of the State, or any state, county or city institution, may be distributed, peddled or delivered without penalty for violation of this ordinance."

SECTION 8.b. It shall be unlawful for any person, firm or corporation to post, print, stick, stamp, tack or otherwise affix, or cause the same to be done by any other person, firm or corporation, any notice, placard, bill, card, poster, sticker, banner, tin sign, painted advertisement, or any other device calculated to attract the attention of the public to or upon any public sidewalk, cross walk, curb, tree, railroad, trestle, electric light or power, telephone, telegraph or trolley-wire pole, or upon any fixture of the fire alarm, police or telegraph systems or lighting system of the City of Sierra Madre.

SECTION 8.c. It shall be unlawful for any person, firm or corporation to post, print, stick, stamp, tack or otherwise affix, or cause the same to be done by any other person, firm or corporation, any notice, placard, bill, card, poster, sticker, banner, tin sign, painted advertisement, or any other device calculated to attract the attention of the public to or upon any public sidewalk, cross walk, curb, tree, railroad, trestle, electric light or power, telephone, telegraph or trolley-wire pole, or upon any fixture of the fire alarm, police or telegraph systems or lighting system of the City of Sierra Madre.

SECTION 8.d. Nothing contained in this ordinance shall be deemed to or shall apply to the posting of legal notices by public officers or attorneys in the manner and place or places prescribed by law, or to permanent signs painted on buildings, or signs advertising the business painted on buildings, or signs advertising the business conducted on the premises.

SECTION 8.e. Provided further that nothing herein contained shall be deemed to prohibit, or otherwise regulate the delivery of any such matter by the United States Postal Service."

SECTION 3. EFFECT OF ORDINANCE. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional.

SECTION 4. The City Clerk shall certify to the adoption of this ordinance and cause the same to be published once in the Sierra Madre News and thereupon and thereafter the same shall be in full force and effect.

ADOPTED AND APPROVED this 25th day of November 1931.

H. C. REAVIS,
Mayor of the City of Sierra Madre.

ATTEST:
ELMER A. GREEN
City Clerk

lawful for any person, firm or corporation to post, print, stick, stamp, tack or otherwise affix, or cause the same to be done by any other person, firm or corporation, any notice, placard, bill, card, poster, sticker, banner, tin sign, advertisement or other device calculated to attract the attention of the public to or upon any building, wall or part thereof, or to or upon any private property, without the consent of the owner, agent or occupant thereof.

SECTION 3. WHEN CHARGEABLE ON A DISTRICT: Whenever any such improvement is, in the opinion of the City Council, of more than local or ordinary benefit, the City Council may make the costs and expenses of such improvement chargeable upon a district which the City Council shall in its resolution of intention declare to be the district benefited by such improvement, and to be assessed to pay the cost and expense thereof.

SECTION 4. CITY MAY PAY PORTION: The City Council may also in its discretion declare in said resolution of intention that the City shall pay a percentage of the expense of such improvement, or that the City shall pay an amount thereupon to be fixed in said Resolution, or that the assessment against all of the property to be benefited by such improvement shall be limited to an amount to be fixed in said resolution, and that the City shall pay the remainder of the expense of such improvement.

SECTION 5. PUBLIC PROPERTY: Whenever any public property shall front or abut upon the proposed work or improvement, or be included within the district declared by the City Council in its resolution of intention to be the district to be assessed to pay the costs and expenses thereof, the City Council may in its resolution of intention declare that such public property, or any part or parcel thereof, shall be omitted from the assessment therefor to be made to cover the costs and expenses of said improvement.

SECTION 6. NOTICE OF IMPROVEMENT: (a) The resolution of intention referred to in Section 2 hereof shall be published once in some newspaper of general circulation, published and circulated in the City of Sierra Madre. An affidavit of the proprietor, foreman or the clerk of the newspaper publishing said resolution of intention, showing publication of the notice of said resolution of intention as provided in this section shall be filed with the City Clerk.

(b) Upon the adoption of said resolution of intention the City Engineer shall thereupon cause to be conspicuously posted along all streets and parts of streets where work is to be done or improvement made, not more than 300 feet apart and not less than three (3) in all, notices of the proposed improvement, and shall thereupon become due and payable to the City of Sierra Madre. All assessments so made against public property not omitted from the assessment as provided in section 5 hereof, and the percentage or amount or portion, if any, which the City Council may have declared in said resolution of intention, shall be paid by the City out of such fund as the City Council may direct; provided, however, that any such sum or sums which may be assessed against public property shall not be payable by the City whenever such sum or sums are paid by the owner of or the governing body controlling such public property.

SECTION 7. ASSESSMENT ROLL: The City Engineer shall prepare an assessment roll which shall briefly refer to the ordinance, the resolution of intention pursuant to which the improvement was made, and shall show in detail the items of cost thereof, together with all incidental expenses, the name of each street improved, a description of each lot or parcel assessed, the amount of each assessment against each lot or portion of the lot so assessed, the name of the owner of each lot or portion thereof assessed as such ownership appears on the Assessment Roll of the City of Sierra Madre, or as known to the City Engineer, and the date of said assessment. There shall be appended to said assessment roll a certificate of the City Engineer that said assessment roll shows in detail the item of cost and expenses of making such improvement. There shall be attached to said assessment roll a diagram delineating each street on which any work has been done, showing the relative location of each lot or portion thereof, numbered to correspond with the number of the assessments. Said assessment roll shall also provide space to show the penalties for delinquency in the payment of the assessment, the

provement of Street between Street and Street. Street protest may be filed with the City Clerk at any time prior to M, on the day of 19....., at which time any protest filed will be heard by the City Council of the City of Sierra Madre, at the City Hall, Sierra Madre, California.

"City Engineer and/or Superintendent of Streets."

SECTION 7. HEARING OF PROTESTS. At any time not later than the time set for hearing objections to the proposed improvement, as provided in the resolution of intention, the owner of any real property abutting on that portion or portions of the street or streets to be improved, or in case the cost and expense of such improvement is to be assessed upon a district, the owner of any property in said district may file with the City Clerk, addressed to the City Council, a written protest respecting such improvement, describing the property owned by him in said assessment district. At the time set for hearing protests or at the time to which the hearing of protests may be continued, the City Council shall hear such protest or protests and pass upon the same, and its decision thereon shall be final and conclusive, provided, however, that when the protest is against the proposed improvement and the cost thereof is to be assessed upon the property fronting thereon, and the City Council finds that such protest is made by the owners of a majority of the property fronting on the proposed improvement, or when the protest is against the proposed improvement, and the cost thereof is to be assessed upon the property within the assessment district, and the City Council finds that such protest or protests are made by the owners of more than one-half of the area to be assessed for said improvement, no further proceeding shall be taken for a period of six (6) months from the date of the decision of the City Council on such protest or protests, unless such protest or protests be overruled by an affirmative vote of four-fifths of the members of the City Council.

SECTION 8. MAKING THE IMPROVEMENT: If no written protest has been delivered to the City Clerk up to the hour for hearing the protests provided in the resolution of intention, or upon the overruling of any protest or protests filed, the City Council may by resolution, order such improvement and direct the City Engineer to make such improvement, and the City Clerk shall deliver a copy of such resolution to the City Engineer who shall forthwith commence and proceed diligently with and complete such improvement without unnecessary delay and substantially in accordance with the specifications therefor.

SECTION 9. MAKING THE ASSESSMENT: Upon the completion of the improvement the City Engineer shall compute the cost and incidental expenses thereof and shall deduct therefrom any per cent or amount, or the portion thereof, which the City Council in its resolution of intention may have declared that the City shall pay, and shall assess the remainder against the several parcels of property fronting or abutting on the street or parts of streets, along such improvement, or in cases in which the cost and expenses of such improvement shall be assessed chargeable upon a district, then against the property in such district, all in proportion to the benefits received from such improvements by the several parcels of property. The amount of each assessment shall become a lien against the parcel of property so assessed as of the date of its confirmation by the City Council, and shall thereupon become due and payable to the City of Sierra Madre. All assessments so made against public property not omitted from the assessment as provided in section 5 hereof, and the percentage or amount or portion, if any, which the City Council may have declared in said resolution of intention, shall be paid by the City out of such fund as the City Council may direct; provided, however, that any such sum or sums which may be assessed against public property shall not be payable by the City whenever such sum or sums are paid by the owner of or the governing body controlling such public property.

SECTION 10. ASSESSMENT ROLL: The City Engineer shall prepare an assessment roll which shall briefly refer to the ordinance, the resolution of intention pursuant to which the improvement was made, and shall show in detail the items of cost thereof, together with all incidental expenses, the name of each street improved, a description of each lot or parcel assessed, the amount of each assessment against each lot or portion of the lot so assessed, the name of the owner of each lot or portion thereof assessed as such ownership appears on the Assessment Roll of the City of Sierra Madre, or as known to the City Engineer, and the date of said assessment. There shall be appended to said assessment roll a certificate of the City Engineer that said assessment roll shows in detail the item of cost and expenses of making such improvement. There shall be attached to said assessment roll a diagram delineating each street on which any work has been done, showing the relative location of each lot or portion thereof, numbered to correspond with the number of the assessments. Said assessment roll shall also provide space to show the penalties for delinquency in the payment of the assessment, the

provement of Street between Street and Street. Street protest may be filed with the City Clerk at any time prior to M, on the day of 19....., at which time any protest filed will be heard by the City Council of the City of Sierra Madre, at the City Hall, Sierra Madre, California.

"City Engineer and/or Superintendent of Streets."

SECTION 7. HEARING OF PROTESTS. At any time not later than the time set for hearing objections to the proposed improvement, as provided in the resolution of intention, the owner of any real property abutting on that portion or portions of the street or streets to be improved, or in case the cost and expense of such improvement is to be assessed upon a district, the owner of any property in said district may file with the City Clerk, addressed to the City Council, a written protest respecting such improvement, describing the property owned by him in said assessment district. At the time set for hearing protests or at the time to which the hearing of protests may be continued, the City Council shall hear such protest or protests and pass upon the same, and its decision thereon shall be final and conclusive, provided, however, that when the protest is against the proposed improvement and the cost thereof is to be assessed upon the property fronting thereon, and the City Council finds that such protest is made by the owners of a majority of the property fronting on the proposed improvement, or when the protest is against the proposed improvement, and the cost thereof is to be assessed upon the property within the assessment district, and the City Council finds that such protest or protests are made by the owners of more than one-half of the area to be assessed for said improvement, no further proceeding shall be taken for a period of six (6) months from the date of the decision of the City Council on such protest or protests, unless such protest or protests be overruled by an affirmative vote of four-fifths of the members of the City Council.

SECTION 8. MAKING THE IMPROVEMENT: If no written protest has been delivered to the City Clerk up to the hour for hearing the protests provided in the resolution of intention, or upon the overruling of any protest or protests filed, the City Council may by resolution, order such improvement and direct the City Engineer to make such improvement, and the City Clerk shall deliver a copy of such resolution to the City Engineer who shall forthwith commence and proceed diligently with and complete such improvement without unnecessary delay and substantially in accordance with the specifications therefor.

SECTION 9. MAKING THE ASSESSMENT: Upon the completion of the improvement the City Engineer shall compute the cost and incidental expenses thereof and shall deduct therefrom any per cent or amount, or the portion thereof, which the City Council in its resolution of intention may have declared that the City shall pay, and shall assess the remainder against the several parcels of property fronting or abutting on the street or parts of streets, along such improvement, or in cases in which the cost and expenses of such improvement shall be assessed chargeable upon a district, then against the property in such district, all in proportion to the benefits received from such improvements by the several parcels of property. The amount of each assessment shall become a lien against the parcel of property so assessed as of the date of its confirmation by the City Council, and shall thereupon become due and payable to the City of Sierra Madre. All assessments so made against public property not omitted from the assessment as provided in section 5 hereof, and the percentage or amount or portion, if any, which the City Council may have declared in said resolution of intention, shall be paid by the City out of such fund as the City Council may direct; provided, however, that any such sum or sums which may be assessed against public property shall not be payable by the City whenever such sum or sums are paid by the owner of or the governing body controlling such public property.

SECTION 10. ASSESSMENT ROLL: The City Engineer shall prepare an assessment roll which shall briefly refer to the ordinance, the resolution of intention pursuant to which the improvement was made, and shall show in detail the items of cost thereof, together with all incidental expenses, the name of each street improved, a description of each lot or parcel assessed, the amount of each assessment against each lot or portion of the lot so assessed, the name of the owner of each lot or portion thereof assessed as such ownership appears on the Assessment Roll of the City of Sierra Madre, or as known to the City Engineer, and the date of said assessment. There shall be appended to said assessment roll a certificate of the City Engineer that said assessment roll shows in detail the item of cost and expenses of making such improvement. There shall be attached to said assessment roll a diagram delineating each street on which any work has been done, showing the relative location of each lot or portion thereof, numbered to correspond with the number of the assessments. Said assessment roll shall also provide space to show the penalties for delinquency in the payment of the assessment, the

provement of Street between Street and Street. Street protest may be filed with the City Clerk at any time prior to M, on the day of 19....., at which time any protest filed will be heard by the City Council of the City of Sierra Madre, at the City Hall, Sierra Madre, California.

"City Engineer and/or Superintendent of Streets."

SECTION 7. HEARING OF PROTESTS. At any time not later than the time set for hearing objections to the proposed improvement, as provided in the resolution of intention, the owner of any real property abutting on that portion or portions of the street or streets to be improved, or in case the cost and expense of such improvement is to be assessed upon a district, the owner of any property in said district may file with the City Clerk, addressed to the City Council, a written protest respecting such improvement, describing the property owned by him in said assessment district. At the time set for hearing protests or at the time to which the hearing of protests may be continued, the City Council shall hear such protest or protests and pass upon the same, and its decision thereon shall be final and conclusive, provided, however, that when the protest is against the proposed improvement and the cost thereof is to be assessed upon the property fronting thereon, and the City Council finds that such protest is made by the owners of a majority of the property fronting on the proposed improvement, or when the protest is against the proposed improvement, and the cost thereof is to be assessed upon the property within the assessment district, and the City Council finds that such protest or protests are made by the owners of more than one-half of the area to be assessed for said improvement, no further proceeding shall be taken for a period of six (6) months from the date of the decision of the City Council on such protest or protests, unless such protest or protests be overruled by an affirmative vote of four-fifths of the members of the City Council.

SECTION 9. MAKING THE ASSESSMENT: Upon the completion of the improvement the City Engineer shall compute the cost and incidental expenses thereof and shall deduct therefrom any per cent or amount, or the portion thereof, which the City Council in its resolution of intention may have declared that the City shall pay, and shall assess the remainder against the several parcels of property fronting or abutting on the street or parts of streets, along such improvement, or in cases in which the cost and expenses of such improvement shall be assessed chargeable upon a district, then against the property in such district, all in proportion to the benefits received from such improvements by the several parcels of property. The amount of each assessment shall become a lien against the parcel of property so assessed as of the date of its confirmation by the City Council, and shall thereupon become due and payable to the City of Sierra Madre. All assessments so made against public property not omitted from the assessment as provided in section 5 hereof, and the percentage or amount or portion, if any, which the City Council may have declared in said resolution of intention, shall be paid by the City out of such fund as the City Council may direct; provided, however, that any such sum or sums which may be assessed against public property shall not be payable by the City whenever such sum or sums are paid by the owner of or the governing body controlling such public property.

SECTION 10. ASSESSMENT ROLL: The City Engineer shall prepare an assessment roll which shall briefly refer to the ordinance, the resolution of intention pursuant to which the improvement was made, and shall show in detail the items of cost thereof, together with all incidental expenses, the name of each street improved, a description of each lot or parcel assessed, the amount of each assessment against each lot or portion of the lot so assessed, the name of the owner of each lot or portion thereof assessed as such ownership appears on the Assessment Roll of the City of Sierra Madre, or as known to the City Engineer, and the date of said assessment. There shall be appended to said assessment roll a certificate of the City Engineer that said assessment roll shows in detail the item of cost and expenses of making such improvement. There shall be attached to said assessment roll a diagram delineating each street on which any work has been done, showing the relative location of each lot or portion thereof, numbered to correspond with the number of the assessments. Said assessment roll shall also provide space to show the penalties for delinquency in the payment of the assessment, the

provement of Street between Street and Street. Street protest may be filed with the City Clerk at any time prior to M, on the day of 19....., at which time any protest filed will be heard by the City Council of the City of Sierra Madre, at the City Hall, Sierra Madre, California.

"City Engineer and/or Superintendent of Streets."

SECTION 7. HEARING OF PROTESTS. At any time not later than the time set for hearing objections to the proposed improvement, as provided in the resolution of intention, the owner of any real property abutting on that portion or portions of the street or streets to be improved, or in case the cost and expense of such improvement is to be assessed upon a district, the owner of any property in said district may file with the City Clerk, addressed to the City Council, a written protest respecting such improvement, describing the property owned by him in said assessment district. At the time set for hearing protests or at the time to which the hearing of protests may be continued, the City Council shall hear such protest or protests and pass upon the same, and its decision thereon shall be final and conclusive, provided, however, that when the protest is against the proposed improvement and the cost thereof is to be assessed upon the property fronting thereon, and the City Council finds that such protest is made by the owners of a majority of the property fronting on the proposed improvement, or when the protest is against the proposed improvement, and the cost thereof is to be assessed upon the property within the assessment district, and the City Council finds that such protest or protests are made by the owners of more than one-half of the area to be assessed for said improvement, no further proceeding shall be taken for a period of six (6) months from the date of the decision of the City Council on such protest or protests, unless such protest or protests be overruled by an affirmative vote of four-fifths of the members of the City Council.

SECTION 8. MAKING THE IMPROVEMENT: If no written protest has been delivered to the City Clerk up to the hour for hearing the protests provided in the resolution of intention, or upon the overruling of any protest or protests filed, the City Council may by resolution, order such improvement and direct the City Engineer to make such improvement, and the City Clerk shall deliver a copy of such resolution to the City Engineer who shall forthwith commence and proceed diligently with and complete such improvement without unnecessary delay and substantially in accordance with the specifications therefor.

SECTION 9. MAKING THE ASSESSMENT: Upon the completion of the improvement the City Engineer shall compute the cost and incidental expenses thereof and shall deduct therefrom any per cent or amount, or the portion thereof, which the City Council in its resolution of intention may have declared that the City shall pay, and shall assess the remainder against the several parcels of property fronting or abutting on the street or parts of streets, along such improvement, or in cases in which the cost and expenses of such improvement shall be assessed chargeable upon

Mrs. G. J. Wones, Aged 77, Dies At Home Here

Mrs. Granville J. Wones 77, passed away late Tuesday night at her home, 382 West Montecito avenue. Mrs. Wones was born in Piqua, Ohio, and had been a resident in Sierra Madre for the past two years, coming here when her health began to fail. She is survived by one daughter, Miss Helen Wones, teacher in the local grammar school for the past six years, and one son, Walter H. Wones of Milwaukee, Wis.

Funeral services were held privately this morning at the Little Church of the Flowers, Forest Lawn Cemetery. Interment will be held later at Springfield, Ohio. Grant Funeral Parlors were in charge of the arrangements.

LEGION AUXILIARY READY FOR HOLIDAYS

The executive committee of the American Legion Auxiliary met at the home of the president, Mrs. Roy Pickett, 201 West Highland avenue, on Tuesday evening. Business plans to be brought up at the next regular meeting, December 10, were discussed.

Fruit, cards, flowers and 17 glasses of jelly were given disabled veterans and their families on Thanksgiving Day by a com-

mittee consisting of Mrs. Henry Olsen, Mrs. Austin Gibbs and Mrs. Arthur Embree.

Legionnaire Jimmy Irvine was visited on Sunday at the Government Naval Hospital in San Diego by Mrs. James Irvine and son Stanton, Mr. Irvine's mother, Mrs. Gammel, and Mr. and Mrs. Arthur Embree. Mr. Irvine's condition is reported to be unfavorable.

CHURCH ELECTION TO FOLLOW FAMILY DINNER THIS EVENING

Following a family dinner this evening at the Congregational Church the annual election of officers will be held. Rev. Arthur O. Pritchard, pastor of the church, will preside at the session at which a report of C. W. Jones, chairman of the nominating committee, and other reports for the year will be heard.

LOCAL VIOLINIST TO ASSIST AT RECITAL

Dean Bode's organ concert at the Church of the Ascension on Sunday was enjoyed by about fifty people, who gathered following the program for tea in the Parish House. Dean A. G. H. Bode played a beautiful program including numbers by Mozart, Brahms and Tschalkovsky and was assisted by Francis Eakman who sang three numbers. Miss Lalla Fagge, violinist, will assist Dean Bode this Sunday, December 6. Miss Fagge will play Bach's "Air on G String" and "Meditation from Thais." The organ selections will be Overture "Home Coming from Abroad," by Mendelssohn; "Cuckoo" by

D'Aquin; "Scherzo" from Tschalkovsky's Fourth Symphony; "Andante" from Mozart's Second Symphony, and "Our Village" by Monssorgsky.

TEMPLE BETH ISRAEL WILL HOLD CHANUKA CONCERT AND SUPPER

The fifth annual Chanuka concert and supper will be held at the Temple Beth Israel on Sunday, December 13, at 4 p.m. The local children of the Hebrew school will present the play and experienced entertainers of Los Angeles will complete the concert.

CHAMBER OF COMMERCE WILL ELECT OFFICERS

New officers for the Chamber of Commerce will be chosen at the meeting next Monday night. The preliminary ballots have been coming in daily to Secretary Copenhaver. These ballots carried the names of the entire membership, each member being asked to mark off 12, from which six directors will be chosen.

Woman's Club To Hold Relief Fund Benefit

The Sierra Madre Woman's Club is sponsoring a bridge benefit for relief of local unemployment next Friday evening, December 11, at the clubhouse. Donations of refreshments and prizes are asked in order that a worthwhile contribution may be made to the Red Cross relief fund. Donations will be received by Mrs. George Lehner and Mrs. R. C. Copenhaver.

WELL KNOWN POET HAS NEW SONG FOR CHRISTMAS

Mrs. Dorothy B. Polsue of 272 West Grand View avenue, well-known throughout the United States and England for her delightful poetry, has composed and published a new song, "Little Infant Sleeping," for Christmas. Mrs. Polsue is the mother of Mrs. Mary A. Wammonck and Mrs. Gordon Brooks.

NOW IS THE TIME TO BUY... YES NOW!

If you really want a home — Two big airy bedrooms — tiled floor in bath — tiled sink with lots of built-ins in the kitchen — Big hall — Living Room with French windows and a cheerful fire place — No street work to pay for — Just say "Yes Humphries" and to say "yes" will cost you \$650 down — balance of \$1500 at 7 per cent — Plenty of time to pay that — Forgot the screen porch... one of the best—
